

Weidmüller Special Offer

THM Multimark for \$1

Let's connect.

Weidmüller 

We offer you professional solutions with the Weidmüller Marking System

We don't just offer you a complete, convenient process chain from data entry to ready-for-use markers. We offer you marking solutions that are already geared towards the future requirements of progressive automation. This means you are always one step ahead. One of the main requirements of a marking system is that it clearly shows how your components are configured. A precise print image, convenient handling and the guarantee of usability in an industrial environment are also essential.
